Mr. Bill Visits The Running Place

Mr. Bill returns to the Philly area for a visit! Last month, Bill Frawley (former TRP owner, forever TRP legend) traveled back east to see how things were going in his old stomping grounds. A few of us were able to see him and catch up on things while he was in town.

However, for those who weren't able to see him, we wanted to give an update!

Bill came to town

for about a week at the beginning of May to spend some quality time with his Philly area friends. He even decided to run the ol' Broad Street Run while he was

here for good measure! More than a few late nights were had leading up to the race, but that didn't seem to affect his experience at all. Mr. Ken and the staff at TRP

were excited to have him back, even just for a few days, although he refused to pick up a shift while he was here.

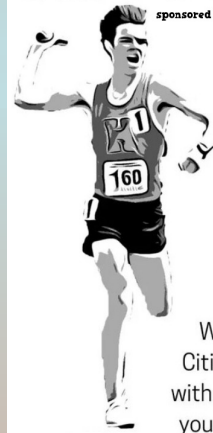

It was great to have him back inside the hallowed walls of the shop and just spend some time catching up in-person. In fact, Mr. Ken had so much fun that the Taylor's will be traveling west this summer to visit him in Oregon!

NEW BALANCE WEAR TEST 6/3

Come out Monday, June 3rd, for our Monday Night Group Run. We leave for the run at 6:45 p.m. sharp. Pop in before 6:45 p.m. and get fitted to test the new New Balance 860v14! This is the first Monday of the month so pizza will be served after the run.

New to TRP

Summer means beach time, festivals, and a plethora of other chances to go shoeless. For runners, that can lead to tweaks and twinges in the feet and legs from lack of support.

Well, it doesn't have to be that way! At TRP we have a variety of more stable warm weather footwear that can help keep you moving forward in a more positive way. OLUKAI, HOKA, and BIRKENSTOCK slides and sandals in a variety of colors for you mix and match with offer you a stylish, supportive way to look cool while keeping your body feeling good. Check out our stock the next time you are in the shop.
